

Where did you grow up?¹

I grew up in Canada.

Oh interesting. Where in Canada did you grow up?

In Toronto. Have you ever been there?

I haven't. But it's on my list. What was it like growing up there?

It was great. There's so much to do. And it's a really diverse² city. Winter gets really cold there, though.

I bet. How did you end up out here in LA?

I moved out here to go to school at UCLA. Actually³, I left LA for a few years after I graduated. But we decided to move back here after I got a job offer.

Oh I see. How do you like it here?

It's nice. The weather is hard to beat but I do miss Toronto.

Where in LA do you live?

I'm in Koreatown. What about you?

I'm downtown.

That's nice. I really like downtown. There's a lot to do there.

Oh do you go there often?

I work downtown. So I'm there five days a week.

Oh, we should grab lunch sometime.

That sounds great.

Cool! Are you free for lunch this coming Friday?

I can do any time after 1.

Perfect. Should we say 1:30 on Friday then?

Yes. Where should we eat?

I've been wanting to try Grand Central Market. Have you been?

**Yes, there's so many options there.
You'll love it. Let's do that!**

**Awesome. Do you mind if I bring my
husband, Eugene?**

Of course not! I'd love to meet him!

Great. I'm looking forward to it.

**Let me give you my number in case I'm
running late.**

Good idea.
