## **LIVING IN LOS ANGELES**

What do you think about LA now that you've lived here for a few months?

**I think** it's great. There's so much to do and the weather is hard to beat. What about you?

**To be honest,** it's not my favorite city. The traffic is very heavy so I end up spending way too much time in my car.

**That's a good point** but every city has its flaws<sup>4</sup>. If you live close to work, it's not too bad.

## **BEST TACOS IN LOS ANGELES**

Who do you think makes the best tacos in LA?

**Personally, I think** Guisado's is the best. The meat is very juicy and delicious.

Guisados is very good **but in my opinion** Kogi is the best. It is quintessentially<sup>5</sup> LA.

**You've got to be kidding me!** Kogi is interesting but they don't make *real* tacos.

### **WEST SIDE V. EAST SIDE**

Which do you think is better: The West side of LA or the East side?

**In my opinion,** the East side is better. There's so much more diversity. That makes the culture more vibrant<sup>6</sup> and interesting.

I totally agree. The food is also better.

Well, **not necessarily**<sup>7</sup>. There's a lot of good food on the West side as well. Maybe not as much as the East side though, so **I see your point.**
